WELFORD MIXED HOCKEY CLUB is a small, friendly club that was formed back in 1988 by a group of school friends. Since then, we have gone on to become a competitive and ambitious club with teams playing across Northamptonshire and Leicestershire.

We have a mixed team which plays in the Leicestershire and Rutland Leagues, a Badgers team which plays in Northamptonshire and Leicestershire and numerous junior teams which play in the Northamptonshire area.

Our aim is to provide excellent coaching, high-level playing opportunities and value for money, along with being a social and community-minded club. Our coaches are qualified and insured and we are accredited by England Hockey through their Club Mark scheme.

WELFORD LADIES ROUNDERS TEAM, also known as Pam's People, is part of the Market Harborough and District League. We play from May to end of August and are a friendly bunch. Anyone over the age of 12 is welcome (with no upper limit!).

We train sporadically, as and when we can, but play our matches either on a Monday, Tuesday or Wednesday evening, starting at 6.30pm all at the Sportsfield. Complete novices, some experience or experts welcome. We love playing and enjoy winning but have a fab time regardless of the result.
